**CARNEGIE SCIENCE CENTER ANNOUNCES NEW LASER SHOWS**  
**DOORS, HENDRIX, AND RADIOHEAD JOIN THE WEEKLY LINE-UP**

**PITTSBURGH, April 3, 2011**— Carnegie Science Center isn't just for kids; there's rockin' science for people of all ages at the laser shows in Buhl Digital Dome. Three new laser shows have just been added to the offerings: Doors & Hendrix, Radiohead, and Creed.

Doors & Hendrix: It has been more than 40 years since the height of the psychedelic rock movement, but that doesn't mean it's over. Join us for a '60s-era mind-altering experience and get a dose of virtual psychedelia...it's a WILD and TRIPPY hour! *Show times: Fridays and Saturdays, 8 pm*

Radiohead: This show is for fans of this pivotal indie-pop band. Hear the songs that influenced generations of alternative rock fans across the world. Swim through the metamorphosis of sound that is Radiohead, and experience their transcendent style with visual LASER light. *Show times: Fridays and Saturdays, 9 pm*

Creed: For group bookings only. Call to register for this awesome, hour-long hard rock LASER show. Enjoy top hits like *Arms Wide Open*, *Higher*, and many more! *Call 412.237.3434 to schedule a group visit.*

The full line-up of laser shows includes *A Brief Mystery of Time* (matinee for families), *Laser Michael Jackson*, *Laser Daft Punk*, *Laser Sublime*, and *Midnight Floyd* – a Science Center staple since 1968. From psychedelic to rock & roll to synth-pop, there's a show for music lovers of any genre. Show times and descriptions are available [online](#).

Cost for laser show admission is \$2 for members and \$8 for non-members. A second laser show or Omnimax ticket can be purchased for an additional \$5.

Laser shows are presented by 7-Eleven.

### **About Carnegie Science Center**

Carnegie Science Center brings the world of science alive for visitors of all ages. One of the four Carnegie Museums of Pittsburgh, the Science Center features hands-on exhibits, three live demonstration theaters, a four-story Omnimax theater, Highmark SportsWorks<sup>®</sup>, an interactive full-dome digital planetarium, a Cold War-era submarine moored on Pittsburgh's Ohio River, the world's largest and most comprehensive robotics exhibition, and a world-renowned model railroad display. Carnegie Science Center is located at One Allegheny Avenue on Pittsburgh's North Shore next to Heinz Field. Visit [CarnegieScienceCenter.org](http://CarnegieScienceCenter.org), or call 412.237.3400 for more information.

### **About Carnegie Museums of Pittsburgh**

Founded by Andrew Carnegie in 1895, Carnegie Museums of Pittsburgh is a collection of four distinctive museums dedicated to exploration through art and science: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. In 2009, the museums reached more than 1.2 million people through exhibitions, educational programs, outreach activities, and special events.
