CARNEGIE SCIENCE CENTER HELPS PARENTS FINISH HOLIDAY SHOPPING
SPECIAL PROGRAM KEEPS KIDS ENTERTAINED WITH EXHIBITS, OMNIMAX
MOVIES, WORKSHOPS, AND MORE!

PITTSBURGH—Carnegie Science Center offers a unique program to give parents the opportunity to get their holiday shopping done while their kids have tons of fun learning about science. *Drop & Shop* runs from 10 am–3 pm on Sunday, Dec. 18 and is for children ages 4-12.

Parents get five glorious hours to check off everyone on their lists, while kids get to explore the Science Center from top to bottom! These fun-filled days include an Omnimax movie, a laser show, a science workshop, and plenty of time for children to explore the exhibits.

Parents are encouraged to visit the Science Center's XPLOR Store with a 10% discount coupon, while all members of Carnegie Museums of Pittsburgh enjoy 25% in the store through Dec. 24. The XPLOR Store is the best place around for hard to find gifts and learning toys like games, books, and science merchandise. From *The Polar Express* and *Harry Potter Hogwarts Express* train sets, to stellar telescopes, we're sure to have the perfect gift for your favorite scientist—no matter what their age!

Drop and Shop admission is \$36 per child for members and \$40 per child for non-members. Pre-registration required. Call 412.237.1637 to register.

About Carnegie Science Center

Carnegie Science Center brings the world of science alive for visitors of all ages. One of the four Carnegie Museums of Pittsburgh, the Science Center features hands-on exhibits, three live demonstration theaters, a four-story Omnimax theater, Highmark SportsWorks®, an interactive full-dome digital planetarium, a Cold War-era submarine moored on Pittsburgh's Ohio River, the world's largest and most comprehensive robotics exhibition, and a world-renowned model railroad display. Carnegie Science Center is located at One Allegheny Avenue on Pittsburgh's North Shore next to Heinz Field. Visit CarnegieScienceCenter.org, or call 412.237.3400 for more information.

About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, Carnegie Museums of Pittsburgh is a collection of four distinctive museums dedicated to exploration through art and science: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. Annually, the museums reach more than 1.2 million people through exhibitions, educational programs, outreach activities, and special events.
